

## WARRANTY

If stated on the coverage summary page, it is understood and agreed the following warranty(ies) will apply:

### Wood Burning Warranty

It is warranted by you that in consideration of the reduced premium, this premises does not contain or use for heating purpose a wood burning appliance. A fireplace which does not contain an insert shall not for the purpose of this warranty be considered a wood burning appliance.

In the event of a loss or damage caused by or contributed to by a wood burning appliance, that is not declared but otherwise conforms to our company guidelines, a minimum deductible of \$1,000 shall apply.

If the wood burning appliance does not conform to our company guidelines, then the Statutory Conditions relating to "Misrepresentation" and/or "Material Change" shall apply.
